SPIRITUAL GUIDANCE/ACCOMPANIMENT

Have you had an opportunity to share how you experience God in your life?

Would you like to have a more personal relationship with God?

Spiritual guidance provides a confidential and safe space on a one to one basis over a period of time where you can talk about your relationship with God and your life's journey. Sometimes when we are struggling, we feel disconnected from our spiritual selves and from any sense of God in our lives. This can happen at times of crisis, of bereavement, or loss. We can feel at times the need to be listened to. Spiritual guidance is helpful for Everyone. It is not new. It was described in the past as having an "anam cara" or a spiritual companion. Sr. Noreen at the Convent in Kilrush is trained in spiritual guidance. If you would like to know more about it you are welcome to contact her on 087 4147166.
