New Translation of the Roman Missal

The Mass follows a "fundamental structure which has been preserved throughout the centuries down to our own day" (*Catechism of the Catholic Church*, no. 1346). Though the Mass is one united act of worship, it consists of many parts, each with its own purpose and meaning.

Introductory Rites: "The rites that precede the Liturgy of the Word, namely, the Entrance, the Greeting, the Penitential Act, the *Kyrie*, the *Glória in excelsis* (*Glory to God in the highest*) and Collect, have the character of a beginning, an introduction, and a preparation. Their purpose is to ensure that the faithful who come together as one, establish communion and dispose themselves properly to listen to the word of God and to celebrate the Eucharist worthily"
Collect: "The [opening] prayer . . . through which the character of the celebration finds expression". This prayer literally "collects" the prayers of all who are gathered into one prayer led by the priest celebrant.

EUC HARISTIC ACCLAMATION:

WE PROCLAIM YOUR DEATH, O LORD, AND PROFESS YOUR RESURRECTION UNTIL YOU COME AGAIN.

Legion Of Mary

A meeting will be held on next Thursday—29th September—at 8.00 p.m. in the Community Centre to establish the Legion of Mary in the parish. Anyone who is interested is welcome.

Lord, this day may I act justly,
Love with compassion
And walk humbly with you, my God. Amen
