Tobar Chaoidhe - St. Kee's Well

Tobar Chaoidhe is located on the Cliff Road and has been associated with the prayer of many people over the years concerning the healing of ailments of the eyes and limbs.

New Translation of the Roman Missal

Why are we getting a new edition of the Roman Missal?

The new edition of the Missal will come into full use over a period of time between September and the First Sunday of Advent 2011. The new edition is necessary for a number of reasons. Firstly, in the years since 1975 when our current Missal was published, a number of additional texts have been made available for use in the Mass. Secondly, in recent years Rome gave new directions for the translation of the Latin texts. Translators were asked to make the English text follow more closely the original Latin in its wording and structure. They were also asked to strengthen the Biblical language and images in the texts and to re-introduce some theological vocabulary that may have been lost over years. Across the English speaking world the new edition of the Roman Missal will, therefore, contain both new material and a new style of translation.

From early September onwards we will begin to gradually introduce the changes in the celebration of Mass in the parish.

"Sing a New Song to the Lord!"

We are very grateful to the members of Kilkee Church Choir and Lisdeeen Folk Group together with their directors, organist and musicians for their continued enhancement of our liturgies throughout the year in the parish. During the month of September the Kilkee Choir take a break from rehearsals and singing at our Sunday morning Mass. Rehearsals will resume again in October. Anyone interested in joining and lending their musical talents to the liturgies in Kilkee or Lisdeeen Church can get more information from the Parish Office or from any choir member.
