Kilkee & Lisdeen Churches Repair Fund

Our thanks to all who contribute regularly to the ongoing maintenance and repair of our parish church buildings at the Second Basket Collection throughout the year.

Update on our work:

Kilkee Church: In recent months we completed essential repair work to the lower flat roofs. New shrubs and other flowers have been planted at the front area of the church and in the coming weeks we will install a permanent signage board. Before the winter period we hope to have installed a further improvement to the heating system in the church.

Lisdeen Church: In recent months new windows have been installed in the church. A stained glass window depicting St. Flannan is being transferred from Kilkee Church to the Sanctuary area of Lisdeen Church. It is hoped to have this work completed by the Autumn.

Next weekend - 9th/10th July - the annual collection for Kilkee Parish Development Fund takes place. Your contributions to this collection and to the Second Basket collection each weekend assists us in this work

On next weekend 9th and 10th of July at all parish masses the intentions of the living benefactors of our parish will be remembered.

Thank you! Fr. Gerry Kenny, P.P., on behalf of the Parish Leadership Group
