## Renovation Works in our Churches

**LISDEEN Church:** The stained glass window of St. Flannan has now been installed in the church. Some further work has to be completed with painting in the Sanctuary area in the coming weeks. We plan to invite Bishop Kieran O' Reilly to celebrate Mass and dedicate the window on the Feast of St. Flannan— Sunday 18th December.

**KILKEE Church:** In the coming weeks we will be installing new electric air heaters inside the doors of the church which will help with the heating of the church in Wintertime. As you are aware, heating the large church is a continual challenge and we hope that this venture will assist in our programme to make the church a more comfortable place for our services as we move into the colder months ahead.

- ◆ **We are very grateful to you for your continued support of our Second Basket Collection at weekends which enables us to carry out this ongoing renovation work.**
