THE SPORTING HISTORY OF KILKEE PARISH

The book is now ready to go to print and a printer will be chosen within the next few weeks. It is expected that the total amount of pages including photographs will be in the region of 550. Until the final draft is drawn up this figure is approximate. The book will comprise of Soft covers and a LIMITED number of Hardbacks. In order that the committee can gauge the demand for the Hardbacks it has been decided to take orders in advance of printing for this type of cover which will also have a sleeve, graphically designed. The reason being, due to the high cost of setting out a Hardback that enough copies are printed so that nobody is left disappointed, if this type of cover is their choice. This will be a substantial and valuable asset to any household. The cost of the Hard Back will be €60. Orders can be given, with payment to any member of the committee. A receipt will issue to all who order in this manner.

REFLECTION - Working for Christ

To do the work of Christ is really quite simple. It means to be faithful in little things, for to be faithful in little things is a big thing. It means to do one's task, no matter how humble, not only thoroughly but joyfully. It means to make oneself available, yet never to seek the limelight. It means to make oneself useful, without seeking to push oneself. It means to carry one's own burden, without, as far as possible, becoming a burden on others. In a word, it means to be at one's post, helpful and faithful, loyal and constant. Lord, make me an instrument For the building of your kingdom.
