**A Commitment to be a Community of the Eucharist**

We are the Community of the bread:  
And so we commit ourselves to the ministry of unity, Building a Community that encourages and values one another.

We are the Community of the cup:  
And so we commit ourselves to sharing one another's joys and sorrows in an ever-deepening love.

We are the Community of the water and the towel:  
And so we commit ourselves to serving the people of our parish, after the pattern of Jesus, our Lord.

We are a Community of ministry:  
And so we commit ourselves to accept the gifts of the Spirit and to use them in partnership, for the renewal of the Church and the healing of the world.

We are the Community of the Eucharist:  
And so we commit ourselves to love made practical In compassion and passion, in work for justice and in gentle caring.

We gladly accept to be shaped by the Eucharist we celebrate and so give ourselves to the work of Christ, Now and forever. Amen
