Reflection - The Wounded Heart

If only the heart was right we could give so much more. But, alas, the heart is often empty. It is often cold and unwelcoming. It is often hard and unyielding. It is often weighed down with worry. It is often sad and lonely. It is often in darkness. It is often wounded. And it is sometimes broken. We have to heal the wounds of the heart in order to be able to love. Lord, touch our hearts and heal them, so that we may be able to bear the fruits of love. Amen.
