THE SPORTING HISTORY OF KILKEE PARISH

The book is now ready to go to print and a printer will be chosen within the next few weeks. The book will comprise of Soft covers and a LIMITED number of Hardbacks. In order that the committee can gauge the demand for the Hardbacks it has been decided to take orders in advance of printing for this type of cover which will also have a sleeve, graphically designed. The reason being, due to the high cost of setting out a Hardback that enough copies are printed so that nobody is left disappointed, if this type of cover is their choice. This will be a substantial and valuable asset to any household. The cost of the Hard Back will be €60. Friday 25th July 2009 has been set as a cut off point for advance ordering of the Hardback version of the book. All orders and money must be with the committee by that date. The committee cannot guarantee availability of the Hard Back Version of the book when it has been submitted to the printers which is expected to happen in early/mid August 09. SHEEP WITHOUT A SHEPHERD

Lord, look upon us and take pity on us, for at times we too are like sheep. Save us from a blind following of the herd. Help us to listen to your voice, to trust you and to follow you, even if it means leaving the crowd and walking a lonely path. Lead us from fear to trust, from error to truth, from hate to love, from war to peace, from despair to hope, and from death to life. Amen.
