Your Donations to the Parish

With your newsletter this week you will receive a letter that outlines the proposal to move to a weekly envelope collection for the Parish in the coming year. We ask you to give consideration to the contents of the letter and the method that might best suit you for your donation in the coming year. We thank all of you who contribute so regularly and generously to the support of your parish

We are very much aware at this time that due to the economic downturn some of you may have to reduce your contributions to Church Collections. We would certainly not wish to add to your financial burdens. In view of this perhaps those of you who have been lucky not to have been so affected might consider being a little extra generous in your donations to all charities—including your parish—at this time. - Fr. Kenny

Your Parish Donations - Weekend 14th/15th November

Basket: € 915.15 Repairs: € 546.40

Thanks to all who contribute to our collections for the support of the Parish
