BETHLEHEM ART

Bethlehem Art is a statement introduced by the Christian families in Bethlehem. The mission statement of Olive Art, is to provide an income for the few Christian families still living in Bethlehem. There are now very few pilgrims and visitors to the Holy Places and so the families have no means of selling their work. The result is that many families are facing great poverty and distress at this is for many their main livelihood. An opportunity to purchase items of Bethlehem Art will be available after all Masses this weekend.

KILKEE SPORTING HISTORY

There has been a huge response for pre-orders of the special hard back edition of the forthcoming publication. The committee's decision to take this course of action has been justified as the order for this copy has had to be doubled. Having said that, the Special Hard Back Copy will not be available after the book goes to print. The reason being that the printing costs are far higher and each book is individually and specially bound. However the ordinary cover of the book will be widely available and will come at a more reasonable cost to the public. It has been difficult to get some photos and the following photos are needed.

1974 - Junior Football winning team
1993 - Cusack Cup Winning team

These photos will be scanned and returned immediately to the owners.
