### Kilkee Church Repair Fund

We have chosen a clean neutral backdrop for the sanctuary area which serves to highlight the crucifix and the stained glass windows at either side.

The lighting and images to be used on the permanent banners will help us reflect on the liturgical seasons of the year and assist in the various Celebrations, Baptisms, Funerals, Sunday Masses etc.

This weekend during Masses we use some images from the stained glass windows throughout our church to highlight the beauty of these windows that often remained hidden from the view of the congregation.

We would like to express our appreciation to Theresa and Annette of Stanford Architects & Designers for their guidance in this project.

**Your contributions to the Second Basket collection each weekend make this work possible**

**Thank you!** Fr. Gerry Kenny, P.P., on behalf of the Parish Leadership Group
