**Reflection - The power to heal**

Each of us is capable of doing some healing, because we have eyes that can see, ears that can hear tongues that can speak, hands that can touch, and above all a heart that can love. Lord, make us instruments of your healing power. Where there is hatred, let us sow love Where there is injury, pardon; Where there is doubt, faith; Where there is despair, hope; Where there is darkness, light; And where there is sadness; joy. Amen.
