**DAY FOR LIFE**

In recent years the First Sunday of October has been dedicated by the bishops for reflection on the dignity of human life. "You are precious in my sight" is the theme of this year's message which is a reflection focusing on the tragedy of suicide.

*"...this year's Day for Life aims to raise awareness of the vital role to be played by families and supportive parish communities in sustaining those who may be struggling to cope. The Day also aims to help reduce the number of myths associated with mental illness, depression and suicide. It emphasizes the importance of encouraging people to seek professional help if they are troubled by persistent suicidal feelings".*

Copies of the full Reflection leaflet are available at the end of the Church or at [www.dayforlife.org](http://www.dayforlife.org)
