Prayer for Peace in our World

Loving God, We pray for the people of Ukraine, those caught up in the Middle East conflict, and for all those affected in any way by war in our world that you will be close to them and protect them.

We pray for world leaders, for compassion, strength and wisdom to guide their choices.

We pray for the world that in this moment of crisis, we may reach out in solidarity to our brothers and sisters in need.

May we walk in your ways so that peace and justice become a reality for the people who are suffering and for all the world. Amen.

Why do Catholics light prayer candles?

The sight of burning votive candles is common in most Catholic churches. The candles are usually placed before statues of saints or at shrines. But how did this tradition get its start?

The practice of lighting candles probably has its origins in the custom of burning lights at the tombs of the martyrs in the catacombs in Rome. The lights burned as a sign of solidarity with Christians still on earth. Because the lights continually burned as a silent vigil, they became known as vigil lights.

Vigil lights (from the Latin *vigil*, which means "waiting" or "watching") are traditionally accompanied by prayers of attention or waiting. Another common type of candle offering is the votive light. Such an offering is indicative of seeking some favour from the Lord or the saint before which the votive is placed.

Lighting a candle is a way of extending one's prayer and showing solidarity with the person on whose behalf the prayer is offered.

By lighting candles we remember and truly live the words of Our Lord: "I am the Light of the World." We not only pray, but our prayers become smaller symbols of the one light of Christ. In burning candles, our prayers rise up to Heaven day and night.

Prayers for a saint's intercession are also common because of their friendship with God in heaven.
