there is limited capacity in each church for our  
celebration of Masses and other ceremonies.

- You are always welcome to join with us via our  
newly installed webcam from Kilkee church at Mass

newly refurbished parish website:  
[www.kilkeeparish.com](http://www.kilkeeparish.com)
- It is most important that people who are  
vulnerable or unwell, and especially those with any  
symptoms that might suggest Covid-19 infection  
should stay at home.
- The wearing of facemasks is now recommended  
for all those attending our churches.
- For the August weekend we have added an extra  
Mass to our schedule on Sunday 2nd August at  
9 a.m.in Kilkee church.

### Message from Bishop Fintan...

Despite the difficulties we've lived  
through, there is a lot to be grate-  
ful for. We owe so much to our  
health care workers and to those  
who kept all essential services  
going. We thank the Lord for the goodness of so many  
generous, brave people who have given so much, often  
putting themselves and their families at risk. They are  
the face of Christ for us. Times of crisis brings out the  
best in people. People have stayed at home and stayed  
apart because it saves lives and lessens suffering. All  
age groups, young and old, have shown that they care  
for each other. We acknowledge the collaboration of  
many people across the Diocese who have prepared  
our churches so that we can come together safely.  
These past months have been a time of worry, but they  
have also been a time of learning new ways of doing  
things, new behaviours, new approaches. It has also  
been a time of coming back to what matters in our lives,  
to what sustains us when the chips are down, to  
questioning what values we want for our communities  
and our society.
