## Kilkee Church Roofs Repair

The major work of replacing the roof at Kilkee Church is completed. We are grateful to all who supported our special fund for this work over the years through the Second Basket Collection at weekend Masses in Kilkee church and through other generous donations to this special fund. Through your generosity the cost of the new roof has been covered.

However, we have to continue in the essential repair of the building while the scaffolding is still in place to repair the steel and concrete at the upper roof level which was found to be in a dangerous condition when we were replacing the roof. The cost of this essential extra work was not anticipated at the time we undertook to replace the roof.

Your continued support for our projects is appreciated.
