Kilkee Church Roofs Repair

The major work of replacing the roof at Kilkee Church and doing
essential repairs to the concrete & steel at the upper roof levels is
now completed. We are grateful to all who supported our special
fund for this work over the years through the Second Basket

Collection at weekend Masses in Kilkee church and through other generous donations to
this special fund. Through your generosity the cost of the entire new roof has been
covered. However, the extra work of repair to the concrete and steel, which we had not
anticipated, leaves us with a new debt in the region of €80,000.

- We are very grateful for generous donations of €200 received for this fund in
the past week.
Your continued support for our projects is appreciated.

"O that today you would listen to his voice. Harden not your hearts."

A hard heart is a closed heart, so it can't receive. A hard heart inevitably
becomes a barren heart.
A soft heart , on the other hand, is a blessing. A soft heart can receive
and can respond.

Lord, grant that softened by your grace, our hearts may be open to the promptings
of your Spirit.
