Catholic Schools Week

Catholic Schools week 2021

24th January— 31st January

This week each year reminds us of the immense contribution that
Catholic schools make to our local parish communities and to
Irish society in general. This year's theme is

Catholic Schools : Communities of Faith and Resilience.

In this time of uncertainty it is good to reflect on the contribution
our school communities make to the life and wellbeing of all pupils
and wider society.

At present many of you are experiencing the school community
through an online presence.

We are grateful to our school staffs and all who are reaching out to
facilitate learning in these difficult times.

We pray for all our families, especially those who, added to their
own daily tasks, are engaged with our schools in home-schooling.

Reflection.....

When evil darkens our world, give us light.
When despair numbs our souls, give us hope.
When we stumble and fall, lift us up.
When doubts assail us, give us faith.
When nothing seems sure, give us trust.
When ideals fade, give us vision.
When we lose our way, be our guide!
That we may find serenity in your presence and purpose in
doing your will.

- John D. Rayner
