May....a reflection

Gracious God,
As we journey through this month we thank You for the length of days and the opportunities to be outdoors. We pray this month for continued health and safety as our country begins to open up with the lifting of recent restrictions. Bless all those returning to work and all involved in preparation for the coming visitor season in our area.

Bless all our students preparing for examinations at this time and all who assist with education and learning.

May is the month when in the Christian calendar we celebrate the Ascension and Pentecost, those great festivals that society has largely forgotten. May we know afresh in our lives the liberation of Christ ascended over all things, and the power of the Spirit to change all things, even in us. We pray that our most-used prayer may indeed come true, and your kingdom come and your will be done on earth, as it is in heaven.

In this month we particularly remember Mary, our mother, and ask through her intercession for the protection and safety of our world at this difficult time.

O Mary, you shine continuously along our journey as a sign of salvation and hope. We entrust ourselves to you, Health of the Sick, who at the Cross were near to the pain of Jesus, keeping your faith firm. We seek refuge under your protection, O Holy Mother of God. Do not despise our pleas—we who are put to the test—and deliver us from every danger, O glorious and blessed Virgin.
