July— A Reflection....

Gracious God, in July Summer is upon us and rumours of sunshine prove to be true. We give thanks for the life-giving blaze of the sun pouring over the world, bringing warmth and growth and well-being. But we pray also for people in countries where the sun is so hot and water is so short that the temperatures are life – threatening. As climate change makes the problem worse, we pray for sustained progress towards carbon reduction across the globe.

In July television adverts and media stories encourage us to be happy, emphasizing smiling families around gatherings. But we know that many lives are short on sunshine. Summer brings no let-up in the struggle to make ends meet. We pray for the forgotten, voiceless people who long for a break from hardship. We pray for protection from the spread of the pandemic at this time. Assist all who are working to protect our health and safety. Be with all our visitors to West Clare during this time and help us to appreciate the beauty all around us. God of July, Lord of the year, lead us through this month with faith, hope and love. Amen
