Synodal Process

In these days the Catholic Church throughout the world and in Ireland is beginning a series of conversations about what God wants of his people at this time. These conversations are often referred to as a Synodal Process. "Synodal" come from a Greek word which means "walking together". This Sunday, 17th October, we mark the opening of this Synodal Process entitled, "For a Synodal Church: communion, participation and mission". This synodal process coincides with the start of the two year Synodal Pathway for the Catholic Church in Ireland which will lead, in time, to a National Synodal Assembly in Ireland.

October—Mission Month

October and World Mission Sunday is a time for the faithful of the world to show their appreciation towards the work of overseas missionaries. The Annual collection to support the work of Mission throughout the World is being taken up on this weekend in the special envelope. The generosity offered will be used to support missionary activities in over 1,100 struggling diocese; mostly in Africa, Asia and Latin America.

You can also assist this appeal by texting the word "Mission" to 50300 where a €4 donation will be donated.

World Mission Sunday will be celebrated on next
Sunday, 24th October
