February—a Reflection...

We often feel by February that winter has gone on long enough. Cold and darkness have prevailed for months and yet winter sometimes has its sharp moments during these weeks. But, underground, life is beginning to stir as nature hatches new plans. We pray that, as nature comes to life, you will awaken our sleeping faith as well; so warm our hearts and kindle our hope for joys to come.

This Monday—14th February— we celebrate the feast of St. Valentine, and declarations of love are made and enjoyed in myriad ways. We give thanks for the irrepressible gift of human love, giving delight, companionship and comfort—while praying also for those who feel left outside that experience, neglected and unloved by so many who matter. Make us agents of your love to everyone we meet in the coming week.

God of February, Lord of the year, lead us through this month with faith, hope and love. Amen.

"To be grateful is to recognise the Love of God in everything God has given us—and God has given us everything. Every breath we draw is a gift of God's love, every moment of existence is a grace" - Thomas Merton
