## UKRAINE- humanitarian crisis

Over the past several days the world has watched in horror as the conflict in Ukraine has torn apart the lives of millions of civilians, triggering a devastating humanitarian crisis.

The response across the world has been one of solidarity with the people of Ukraine. Among the international aid agencies assisting with the present humanitarian crisis is Trócaire (*website: www.trocaire.org*) which is working with Caritas Europa, (*made up of 49 member organisations across Europe, to coordinate support to Ukraine.*) Trócaire support Caritas in its call for humanitarian corridors to be guaranteed to allow people to leave safely, and to enable humanitarian supplies to enter the country.

Donations can be made directly to Trócaire or to other international aid organizations such as the Red Cross, UNICEF, Goal, Concern etc to assist with this crisis

## LENT

In our journey through the Season of Lent we are reminded to reflect on our patterns, to pray more deeply and to be generous to those in need.

The TRÓCAIRE Lenten Campaign helps us to focus on those in need in our world.

Please take a Lenten Package home with you

This year Trócaire highlights their work in the African country Zimbabwe. In Zimbabwe, violations of human rights remain pervasive. Citizens for the most part remain unaware of their civic, economic and social rights. Women suffer disproportionately the effects of poverty and human rights abuses

Further details on the Trócaire Lenten Campaign is in the Lenten Package and on the website: [www.trocaire.org](http://www.trocaire.org)
