Risen Christ, in the winter of this world's wraths and sorrows, we come like spring to bring hope to the desperate nations of our world.

Our news reports are full of terrible atrocities in many places including the Ukraine. We are tempted to turn away in despair. But you, O Christ, are our first glimpse of a new world where swords will be beaten into ploughshares and spears into pruning-hooks. Keep our leaders hopeful and determined as they work for peace and plenty, often against huge odds. Please also break the ice around our own hearts, and make us part of the answer to our own prayers for friends and others in need.

TRÓCAIRE:

Your annual Lenten donation to assist the poor of our world can be made at our churches in the secure boxes.

Please mark your donation "TRÓCAIRE"

Thank you for your support to the recent appeal for Trócaire to assist—through their partners—with refugees on the ground in Ukraine and surrounding countries at this time.

Ukraine is "sorely tried by the violence and destruction of the cruel and senseless war into which it was dragged.....Please, let us not get used to war! Let us all commit ourselves to imploring peace, from our balconies and in our streets!". - Pope Francis -Easter Message 2022

Prayer for the People of Ukraine

Loving God, We pray for the people of Ukraine, for all those suffering or afraid that you will be close to them and protect them.

We pray for world leaders, for compassion, strength and wisdom to guide their choices.

We pray for the world that in this moment of crisis, we may reach out in solidarity to our brothers and sisters in need.

May we walk in your ways so that peace and justice become a reality for the people of Ukraine and for all the world. Amen.
