## Laudato Si

In his encyclical letter dealing with the environment Pope Francis is adamant about our desperate need for that wisdom of heart which enables us to see the dignity, the preciousness, and the suffering of every other living thing, especially (but not exclusively) of our fellow human beings. And we need to be always open to transcendence—ultimately, to our God who is beyond and within us.

## A Reflection

The feeling that someone is *watching* us is not a pleasant feeling.

But the feeling that someone is *watching over us* is a lovely feeling. God is not watching us; God is watching over us. This conviction gives us strength in times of weakness, comfort in times of sadness, and hope in times of despair.

## Prayer for the People of Ukraine

Loving God, We pray for the people of Ukraine, for all those suffering or afraid that you will be close to them and protect them.

We pray for world leaders, for compassion, strength and wisdom to guide their choices.

We pray for the world that in this moment of crisis, we may reach out in solidarity to our brothers and sisters in need.

May we walk in your ways so that peace and justice become a reality for the people of Ukraine and for all the world. Amen.

## Exam Students

We continue our prayer at this time for the students sitting the Leaving Cert and Junior Cert exams. If you would like a student remembered in prayer please put their name in the book in the sanctuary area of our churches. They will be prayed for during Masses of the week.

*May God's Spirit guide our young now and at all times. May they be open to your vision of what you wish for them and may they accomplish this now and in their future life. Amen.*
