## EUCCHARIST

In today's Gospel story Jesus doesn't produce the meal from nothing. He transforms what the disciples have into a blessing for many. Sharing in the Eucharist means sharing our resources. It means ensuring people are not

left to fend for themselves in crisis situations. When we receive the body of Jesus in the Eucharist, it is a gift of love. But if we do not give in return, we are wasting the gift. Where people are in need it is our responsibility, as followers of Jesus, to share and to provide.

**Gracious God, you give us your only Son as our Food: hear our prayers, that as we share in Jesus' Body and Blood, we share in his promise of eternal life. Amen.**

## Prayer for the People of Ukraine

Loving God, We pray for the people of Ukraine, for all those suffering or afraid that you will be close to them and protect them.

We pray for world leaders, for compassion, strength and wisdom to guide their choices.

We pray for the world that in this moment of crisis, we may reach out in solidarity to our brothers and sisters in need.

May we walk in your ways so that peace and justice become a reality for the people of Ukraine and for all the world. Amen.

God, bless all Fathers in the world. Guide them to be good role models and loving to all their children.

Help them to be a father like you are.

Give them grace and patience to handle situations in a loving way. Amen
