## Reflection

Blessed are the faithful:  
they are like safe anchors in a world of broken moorings.  
Blessed are the just:  
they are to society what heaven is to bread.  
Blessed are the generous :  
they keep alive our faith in the essential goodness of people.  
Blessed are the caring:  
they shine like beacons in a world darkened by indifference.  
Blessed are the genuine:  
they glow like gems in a world of falseness.  
And blessed are those who, having put their hand to the plough,  
refuse to look back:  
they will be found worthy of the kingdom.
