Reflection.....

Jesus said there are two roads we can follow. The first is wide and easy to travel. It is downhill most of the way. It is the way of comfort and ease, pleasure and self-seeking. However, it can lead us to a bleak desert.

The second road is narrow and difficult. It is uphill a lot of the way. It is the way of struggle and sacrifice, engaging with the challenges life places on our path, having care and concern for others. It is this road that Jesus points to and is the one that leads to the Promised Land.
