## Kingdom- Building

Perhaps it helps to see that work can also be understood as prayer. The monastic tag was *labore est orare*—to work is to pray. As we work constructively and conscientiously we are making another tiny contribution to building the kingdom of God, the flourishing of all things. This may be more obvious when we are engaged in some overt action for social justice or the transformation of that bit of creation in which we are set, but all work done in harmony with God's good purposes for the world can be seen as an offering to God. And that is what prayer is—offering ourselves, others and the world to God.

IF YOU  
ABIDE IN ME  
YOU WILL BEAR  
MUCH FRUIT

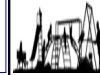

"We must put an end to the culture of waste, we who pray to the Lord to give us our daily bread. Food waste contributes to hunger and to climate change."

Pope Francis@pontifex
