A Reflection for February

Gracious God,
We often feel by February that winter has gone on long enough. Cold and darkness have prevailed for months and yet winter sometimes can have sharp moment during these weeks. But, underground, life is beginning to stir as nature hatches new plans. We pray that, as nature come to life, you will awaken our sleeping faith as well; so warm our hearts and kindle our hope for joys to come.

This coming week we celebrate the feast of St. Valentine, and declarations of love are made and enjoyed in myriad ways. We give thanks for the irrepressible gift of human love, giving delight, companionship and comfort—while praying also for those who feel left outside that experience, neglected and unloved by those who matter. Make us agents of your love to everyone we meet this week.

God of February, Lord of the year, lead us through this month with faith, hope and charity.

Prayer for the People of Ukraine

Loving God, We pray for the people of Ukraine, for all those suffering or afraid that you will be close to them and protect them. We pray for world leaders, for compassion, strength and wisdom to guide their choices.
We pray for the world that in this moment of crisis, we may reach out in solidarity to our brothers and sisters in need.
May we walk in your ways so that peace and justice become a reality for the people of Ukraine and for all the world. Amen.
