Weekend of 6th August: Team B

As we celebrate the remarkable achievement of the parishioners and visitors to Kilkee some 60 years ago in undertaking the task of building two new churches in the parish we honour their faith and commitment at this time.

"You are God's Building"- a Reflection

The Greek word for church is *ekklesia*, which does not mean a building but an assembly called together, a community of those who believe. We are part of the universal Church, the people who profess their belief in the Lordship of Jesus. As a community of believers, we are united in faith under the leadership of the Pope and the bishops, the successors of Peter and the apostles. We all recognise that we have Christ for our foundation.

We are invited to see ourselves as God's building - not a building of bricks and mortar- but a building of flesh and blood, a community of faith and charity. We dedicate our freedom in the service of the Gospel. There are times when we need the faith and love of the community to support us in our weakness and failure; there are times when we can help others grow because something of the divine shows through our genuine efforts to help people without humiliating them, to care for them without imposing ourselves on them. We are the people who make up the Church. We are privileged to be numbered among them.
