Reflection....Prayer

"Prayer is the highest achievement of which the human person is
capable" (St. Teresa Benedicta of the Cross, Edith Stein)

Prayer is the movement of the Holy Spirit in the human heart
through which God reaches out and embraces human beings.

It is a duet of love in which the action of the Spirit inspires and
sustains us in the darkness of faith.

It is an inward call from Christ who dwells within the depths of
the human soul, and who longs to be known and loves there.

It is the exciting adventure of the search for God's presence and
the endless joy of rejoicing in it when it is found.

It is the growing perception of the infinitely gracious, infinitely
merciful Source, the Father who reveals the beauty of his face to
the inner eye of the heart and the sweetness of his voice to the
inner ear attuned to listen. (~The Glenstal Book of Prayer)
