Catholic Schools Week

Catholic Schools week 2024

21st January— 26th January

This week reminds us of the immense contribution that Catholic schools make to our local parish communities and to Irish society in general. This year's theme is

Catholic Schools : Communities of Service

Throughout his life and ministry, Jesus showed what it means to serve other, especially those on the margins of society. Every Catholic school is called to be a community that serves, inviting students to use their gifts and talents at the service of others. We are grateful to our schools for the tremendous role they play, especially in recent times, in welcoming and helping children from near and far to integrate into a vibrant community. This is a true service to society at large. May our schools continue to be places where everyone is valued, where everyone has friends and where everyone feels safe, happy and loved.

During this week we will have the January Rituals for the children receiving the Sacraments of Confirmation, First Reconciliation and First Holy Communion at Mass in Lisdeen Church on Wednesday at 7.00 p.m. and in Kilkee Church at Mass on Friday at 7.00 p.m.

Prayer for Peace in our World

Loving God, We pray for the people of Ukraine, those caught up in the Israeli-Hamas conflict, and for all those affected in any way by war in our world that you will be close to them and protect them. We pray for world leaders, for compassion, strength and wisdom to guide their choices. We pray for the world that in this moment of crisis, we may reach out in solidarity to our brothers and sisters in need. May we walk in your ways so that peace and justice become a reality for the people who are suffering and for all the world. Amen.

"The luminous and shocking beauty of the everyday is something I try to remain alert to.....
It tells me that, despite how debased or corrupt we are told humanity is and how degraded the world has become, it just keeps on being beautiful.
It cant help it"
- Nick Cave
