Easter Reflection.....

Risen Lord Jesus, you caught the world by surprise when you broke the steel cords of death. Help us to believe that all things are possible, that nations can make peace, that men and women can love their enemies, that justice can prevail and the meek can inherit the earth.

Give us eyes to see the outline of the new world that your disciples began to see that day. Help us to see all of life in the light that streams from the empty tomb.
You met your special friends at precisely their point of need—Mary Magdalene, Thomas, the two walking to Emmaus, Peter at the lakeside. And to each you brought hope and the promise of life in abundance. Meet us in the same way, with hope and abundant life, so that we can bask in the light of your resurrection and reflect that light into a muddled world.

Prayer for Peace in our World

Loving God, We pray for the people of Ukraine, those caught up in the Israeli-Hamas conflict, and for all those affected in any way by war in our world that you will be close to them and protect them.

We pray for world leaders, for compassion, strength and wisdom to guide their choices.

We pray for the world that in this moment of crisis, we may reach out in solidarity to our brothers and sisters in need. May we walk in your ways so that peace and justice become a reality for the people who are suffering and for all the world. Amen.

The TRÓCAIRE Lenten Campaign
Helps us to focus on those in need in our world. Sincere thank you to all who have already returned their TRÓCAIRE

This year Trócaire highlights their work with the people of Malawi in Africa—a country that is deeply suffering the effects of climate change.
