### Easter Reflection.....

*The wounds of Jesus show us how costly love can be. Those who care about others pick up a lot of wounds. There may be no great wounds, only a multiplicity of little ones. But there can also be a lot of invisible wounds:*

*The furrows left on the mind and heart by hardships, worry, and anxiety. These wounds are not things to be ashamed of. They are more like badges of honour. They are proof of our love.*

Loving God, We pray for the people of Ukraine, those caught up in the Israeli-Hamas conflict, and for all those affected in any way by war in our world that you will be close to them and protect them.

We pray for world leaders, for compassion, strength and wisdom to guide their choices.  
We pray for the world that in this moment of crisis, we may reach out in solidarity to our brothers and sisters in need. May we walk in your ways so that peace and justice become a reality for the people who are suffering and for all the world. Amen.
