Weekend of 28th April: Team D  
Weekend of 5th May: Team A

Risen Christ, we can so quickly forget the breath-taking message that you are risen and with us, our companion on all our journeys. Remind us daily that we are an Easter people, living in the light of the resurrection, empowered by love.

In the winter of this world's wraths and sorrows, come like spring to bring hope to the desperate

nations of the world. Our news reports remind us of the conflicts and sufferings in many parts of the earth. We can often turn away in despair. But you, O Christ, are our first glimpse of a new world where swords will be beaten into ploughshares and spears into pruning-hooks. Keep all those working for peace hopeful and determined. Plant Easter in their hearts.

Please also break the ice around our own hearts, and make us part to the answer to our own prayers for friends and others in need.

May we be branches of your hope and consolation in the week ahead.

### Prayer for Peace in our World

Loving God, We pray for the people of Ukraine, those caught up in the Israeli-Hamas conflict, and for all those affected in any way by war in our world that you will be close to them and protect them.

We pray for world leaders, for compassion, strength and wisdom to guide their choices.

We pray for the world that in this moment of crisis, we may reach out in solidarity to our brothers and sisters in need. May we walk in your ways so that peace and justice become a reality for the people who are suffering and for all the world. Amen.
