Easter Reflection.....

For those who set out again with Christ and travelled on the pilgrim road with him, there came a new understanding that all pilgrims are wounded and wounding creatures and need constant healing and forgiveness.

And the source of this healing and forgiveness is the Lamb who takes away the sins of the world and gives us peace. With this understanding there came a new compassion. And with the compassion came a realisation that we are not knights of gallant crusaders riding up to the doors of heaven. Ah! No! we are but humble pilgrims supporting one another along the road trod by Him who was hurt but who never wounded except for healing.

And the Spirit will lead us to the portals of heaven on whose doors are written large:

"Welcome home, and forgiveness to all who, in turn, have forgiven others."

Prayer for Peace in our World

Loving God, We pray for the people of Ukraine, those caught up in the Israeli-Hamas conflict, and for all those affected in any way by war in our world that you will be close to them and protect them.

We pray for world leaders, for compassion, strength and wisdom to guide their choices.

We pray for the world that in this moment of crisis, we may reach out in solidarity to our brothers and sisters in need. May we walk in your ways so that peace and justice become a reality for the people who are suffering and for all the world. Amen.

The TRÓCAIRE Lenten Campaign
Helps us to focus on those in need in our world. Sincere thank you to all who have already returned their TRÓCAIRE
