### Prayer for Peace in our World

Loving God, We pray for the people of Ukraine, those caught up in the Middle East conflict, and for all those affected in any way by war in our world that you will be close to them and protect them.

We pray for world leaders, for compassion, strength and wisdom to guide their choices.

We pray for the world that in this moment of crisis, we may reach out in solidarity to our brothers and sisters in need.

May we walk in your ways so that peace and justice become a reality for the people who are suffering and for all the world. Amen.

### APPEAL TO FARMERS: RECORDS FOR NESTING CHOUGH

Clare County Council's Biodiversity Officer and BirdWatch Ireland are carrying out field surveys (April to June) for nesting Chough along a 30km stretch of coastline extending from Kilkee to Loop Head. We are appealing to all farmers within 1km of the coastline for any records they may have of Chough nest sites. This coastal bird species is of conservation importance and looks like a crow. However, Chough have a red bill and red legs and an unmistakable call. Chough can nest on coastal cliffs in caves or in cattle sheds, haybarns or derelict cottages. Many farmers along the coast are familiar with this bird and we are appealing for their help in surveying this area for records of breeding/nesting Chough. Please fill out the survey form by following the link <https://arcg.is/oeiSTt1> , email BirdWatch Ireland [kfinney@birdwatchireland.ie](mailto:kfinney@birdwatchireland.ie) or phone Clare County Council's Biodiversity Officer on 065-6846408.
