REFLECTION.....

Lord, I place myself in your presence.
After the strain and turmoil of the week I rest quietly here, like a little boat,
that has been tossed by the waves and buffeted by the wind,
rests secure in a sheltered harbour.

Here my projects lose their power over me.
A healing process begins.
My fragmented self is reassembled,
and I am made whole again.

May you surround me Lord with your favour as with a shield.
May You be a refuge to me in times of distress, and a fortress in times of danger.
Help me to live in such a way that Your love and peace will reign in my life.

Prayer for Peace in our World

Loving God, We pray for the people of Ukraine, those caught up in the Middle East conflict, and for all those affected in any way by war in our world that you will be close to them and protect them.

We pray for world leaders, for compassion, strength and wisdom to guide their choices.

We pray for the world that in this moment of crisis, we may reach out in solidarity to our brothers and sisters in need.

May we walk in your ways so that peace and justice become a reality for the people who are suffering and for all the world. Amen.
