Reflection...

In July summer is upon us and rumours of sunshine abound. We give thanks for the gift of longer days and sun pouring over our world bringing warmth and growth and well-being. But we pray also for people in countries where the sun is so hot and water is so short that the temperatures are life-threatening. As climate

change makes the problem worse, we pray for sustained progress towards carbon reduction across the globe.

In July schools are out and our children are released to make the most of the summer with friends. Keep them safe and healthy are they play and enjoy this time.

But we know that despite this being summer many lives are short on sunshine. Summer brings no let-up in the struggle to make ends meet. We pray for the forgotten, voiceless people who long for a ray of hope to brighten their gloom. *God of July, Lord of the year, lead us through this month with faith, hope and love.*

Prayer for Peace in our World

Loving God, We pray for the people of Ukraine, those caught up in the Middle East conflict, and for all those affected in any way by war in our world that you will be close to them and protect them.
We pray for world leaders, for compassion, strength and wisdom to guide their choices.

We pray for the world that in this moment of crisis, we may reach out in solidarity to our brothers and sisters in need.
May we walk in your ways so that peace and justice become a reality for the people who are suffering and for all the world. Amen.
