We praise you, O God, for your gift of motherly love, both gentle and fierce, both strong and humble, both kind and true.

Where we have been so blessed, we give our grateful praise, for you have provided loving hands that have worked so hard in raising us, cared enough to correct us, blessed us in ways we cannot have fully known as children.

Prayer for Peace in our World

Loving God, We pray for the people of Ukraine, those caught up in the Middle East conflict, and for all those affected in any way by war in our world that you will be close to them and protect them. We pray for world leaders, for compassion, strength and wisdom to guide their choices.

We pray for the world that in this moment of crisis, we may reach out in solidarity to our brothers and sisters in need. May we walk in your ways so that peace and justice become a reality for the people who are suffering and for all the world.

LENT In our journey through the Season of Lent we are reminded to reflect on our patterns, to pray more deeply and to be generous to those in need.

The TRÓCAIRE Lenten Campaign helps us to focus on those in need in our world. Please take a Lenten Package home with you. The campaign this year highlights their work in Rwanda with families and communities there. Last year, Trócaire worked with over 40,000 people in at-risk communities across Rwanda, helping vulnerable families build resilience against climate change.

Further details on the Trócaire Lenten Campaign is in the Lenten Package and on the website: www.trócaire.org

We pray for God's blessing on the work of Trócaire. We pray that all people may continue to work together for the respect of our shared human dignity and shared human rights.
