Risen Lord Jesus, you were an early riser that first Easter morning. The engines of creation went into reverse and you rose, scattering to the winds the remnants of death. Raise us, we pray, from the slumber of our too-easy faith and put us to work in the garden of your new creation.

Risen Lord Jesus, you caught the world by surprise when you broke the steel cords of death. Help us to believe that all things are possible, that nations can make peace, that men and women can love their enemies, that justice can prevail and the meek can inherit the earth. We pray for all who are suffering as a result of war and conflict in our fractured world at present. Let your spirit guide and protect our peacemakers and those endeavouring to assist all who suffer.

On this Easter day we pray for all who are trapped in difficult situations and long for a way out of the tomb in which they feel imprisoned.

Risen Lord Jesus, may the Easter story echo afresh around the world and bring millions to worder, and to weep with joy, at the entrance of the empty tomb.

You are risen. We are risen. Alleluia!

Prayer for Peace in our World

Loving God, We pray for the people of Ukraine, those caught up in the Middle East conflict, and for all those affected in any way by war in our world that you will be close to them and protect them. We pray for world leaders, for compassion, strength and wisdom to guide their choices.

We pray for the world that in this moment of crisis, we may reach out in solidarity to our brothers and sisters in need. May we walk in your ways so that peace and justice become a reality for the people who are suffering and for all the world.

Working for a Just World

This year's Lenten Trócaire Campaign focused on the work being done to assist communities in the African country of Rwanda. Last year, Trócaire worked with

over 40,000 people in at-risk communities across Rwanda, helping vulnerable families build resilience against climate change. Like many communities across the world living in poorer regions they too will be impacted severely by current global threats. Your assistance to Trócaire enables them to work with their partners in many countries to assist with education, poverty relief and sustainability.

Thank you for your continued support over the years for the work of Trócaire. We ask you to return your donations for this year's campaign in the coming weeks so that we can forward them to Trócaire.

You can access further information about the work of Trócaire at the website: www.trocaire.org
