Eucharistic Ministers and Ministers of the Word

Fr. Kenny and the Parish of Kilkee would like to thank most sincerely our Ministers of the Eucharist and our Ministers of the word for their dedication in taking part in the celebration of the Mass in the Parish.

Actively taking part in the Mass is immensely Spiritually rewarding and makes the celebration more meaningful.

We are now inviting members of our community of parishioners who feel they would like to take a more active part in the celebration of the Mass to join our teams of Eucharistic Ministers and Readers.

Reflection...

All of us have some experience of the road to Emmaus in today's Gospel. That road represents the road of disappointment, failure, sorrow, and broken dreams.

But the risen Lord journeys with us. His Resurrection open all our stories to the prospect, not just of a good ending, but of a glorious ending. Stay with us, Lord, and let your presence inflame our hearts and raise our spirits, so that we may journey towards your kingdom with undimmed hope.

Prayer for Peace in our World

Loving God, We pray for the people of Ukraine, those caught up in the Middle East conflict, and for all those affected in any way by war in our world that you will be close to them and protect them. We pray for world leaders, for compassion, strength and wisdom to guide their choices.

We pray for the world that in this moment of crisis, we may reach out in solidarity to our brothers and sisters in need. May we walk in your ways so that peace and justice become a reality for the people who are suffering and for all the world.

Thank you for your continued support over the years for the work of Trócaire.

We ask you to return your donations for this year's campaign in the coming weeks so that we can forward them to Trócaire.

You can access further information about the work of Trócaire at the website: www.trocaire.org

This year's Lenten Campaign focused on the work of Trócaire with its partners in the African country of Rwanda. Last year, Trócaire worked with over 40,000 people in at-risk communities across Rwanda, helping vulnerable families build resilience against climate change.
