## Kilkee Church Repairs

Last Summer we embarked on a major project at the front of our church—attending to the damaged concrete and steel at the high elevation and pillars for the large stained glass window and painting of the front of the building. We have just completed the project with the installation of new lighting in the front car park. We are grateful for your donations towards this work together with a generous donation from a parishioner and assistance from the Gubay Charitable Foundation.

*We now have to turn our attention to repairing the concrete at the high elevation of the back of the church and are planning to commence this work towards the end of Summer.*

### Kilkee Parish Donations

*We thank you for your continued support of our parish collections.*

*You can donate to the parish using the following methods:*

- Placing your donation into the buckets at the entrance to Kilkee Church during Mass Times.
- Using the special secure boxes on the inside walls of Lisdeen and Kilkee churches at any time.
- Using the special Donate button on the parish website to make a contribution from your bank card.

If you prefer to use "cashless" methods for your donation to the parish using your bank card or mobile phone payment facility, you can use the "Tap 2 Donate" system near the TV screen at the entrance to Kilkee Church or the following QR Code will bring you to the portal for donations to the parish.

Loving God, We pray for the people of Ukraine, those caught up in the Middle East conflict, and for all those affected in any way by war in our world that you will be close to them and protect them. We pray for world leaders, for compassion, strength and wisdom to guide their choices.

We pray for the world that in this moment of crisis, we may reach out in solidarity to our brothers and sisters in need.

May we walk in your ways so that peace and justice become a reality for the people who are suffering and for all the world. Amen.
